INFORMATION DISCLOSURE STATEMENT

Sir:

Attention is invited to the attached copy of an EPO Search Report mailed March 24, 1995, with respect to this disclosure and a copy of each document cited in it together with a completed Form PTO-1449.

Official citation and consideration of all the attached documents is requested. Please return to the undersigned a copy of the attached PTO-1449 with the examiner's initials in the left column [MPEP §609] with the next communication.

I hereby certify that each item of information contained herein was cited in a communication from a foreign patent office in a counterpart foreign application not more than 3 months from the filing date of this statement [see 37 CFR 1.97(e)].

The filing of an information disclosure statement shall not be construed as a representation that a search has been made [37 CFR 1.97(g)], an admission that the information cited is, or is considered to be, material to patentability or that no other material information exists. Further, the filing of an information disclosure statement shall not be construed as an admission against interest in any manner [Commissioner's Notice of January 9, 1992, 1135 O.G. 12-25 at 25].

SOUDA et al
Serial No. 08/354,726

- 2 -

It is submitted that the cited material does not derogate from the patentability of the invention as described and claimed in the subject application.

Respectfully submitted,

NIXON & VANDERHYE P.C.
